Erica, thank you so much for your comments and for Lars' review of the chronic ammonia equation! Your comments are all excellent. I will reply to your comments shortly and amend the letter to send on for management review and then finalize the 7(d) memo.

I know how busy you are and can't express how very much I appreciate all the hand-holding you've provided during SD's and ND's WQS reviews!

Thank you!!

Hi Erica, you are awesome and amazing - thank you so much!!

I'm resending the letter to see if it works and will try what you suggest as well.

Thank you!
